HANS OHRSTROM

Averaging 99% of Asking price
in Under 24 Days on the Market!

Hans Ohrstrom provided me with adequate information on our very first meeting in order to list my home. He is a great listener, very knowledgeable, efficient and most importantly very professional.

He delivered on his promise to sell my house at 99% of the asking price; however my home was sold for the full asking price.

I highly recommend Hans Ohrstrom if you want to sell your home!
